Finally, after being Librarian for a year, I have been able to completely renovate the library card catalog and can report to you that at this time all old and new material now has a card. The following items were found to be missing from the library, and any who may have borrowed them are asked to return them. It is assumed that they were missing when I took over. To conserve space I list only the catalog numbers; the complete list being in the September 1968 issue:

E-2 E-3 M-3 P-4 S-10 S-11 S-15 S-16 U-4 U-17

Please accept my thanks for donations of any type. I should be glad to see greater use made of the library. I am willing to do research as time and material permit provided a stamped return envelope is included.

Supplies of Medal Collector issues before 1968 are dwindling rapidly with many numbers going out of print. Copies are still available of Monographs 1 & 2, if you hurry. It is requested that the commercial purchasers mentioned settle their accounts right away. In future, all sales must be cash in advance. Back issues of the magazine are $1.00 each. The Monographs are $7.50 each.

The possibility is under discussion of merging the Ribbon Bank functions with those of the library. If so, I wish to express my willingness to serve.

Cordially,
Kent Kistler
OMSA Librarian
