Introduction

This handbook was compiled as a guide to the awards of the Orders and Medals Society of America (OMSA) and is the official document governing the awards program. Its primary purpose is to describe the OMSA Awards Program and illustrate its decorations, medals and awards. This guide also includes a short history of the Awards Program, the specifications for each award element, guidelines for award, and nomination information.

Decorations, medals, and awards are designed to reward people for their achievement or service. They are also designed to inspire others to strive to achieve a goal or render a service to a particular cause. In this sense, OMSA Awards are no different. They are intended to reward members for achievement or service that is exceptional and directly related to OMSA. The OMSA Award Program includes decorations, a medal, awards, medal bars, pins and a certificate. The Distinguished Member Medal, Distinguished Service Medal, Meritorious Service Medal and Commendation Medal are the OMSA decorations. The medal is the Membership Medal. The Literary Medal, and the Gold, Silver, Bronze Exhibit Award Medals and Gleim Medal are the OMSA awards. Our certificate is the OMSA Certificate of Appreciation.

Any OMSA member may nominate another member for an OMSA award. The OMSA Awards Committee reviews all nominations for awards. Their job is to ensure that all nominations are reviewed and processed. They are also responsible for assisting the members with nominations. The reviewed nominations are forwarded to the Directors for a vote at the annual Board of Directors. Award winners are announced at the annual convention banquet.

The OMSA Awards Program rewards member achievements and service in a world class society of collectors and historians. We hope that you will participate in nominating members who have set themselves apart as the best-of-the-best in OMSA.

On behalf of the Board of Directors, this handbook is approved for use on April 6, 2012.

Fred L. Borch
President

Clyde L. Tinklepaugh, Jr.
Secretary

Steven G. Haskin
Awards Committee Chairman (1995)
Revised April 6, 2012
History of the OMSA Awards Program

Since the late 1960’s, awards for OMSA had been discussed without any action to establish and implement an awards system. An Awards System was developed and implemented during the J. Robert Elliott Administration in the early 1980’s.

The designers of the then-new Awards System envisioned a means of rewarding individuals for action, performance or service that reflects positively on the Society and its purposes. Their forward thinking gave OMSA incentives for the membership to build the Society, its goals and public image.

The original Awards System team consisted of then-President J. Robert Elliott, Secretary John E. Lelle, and then-Director Lee Bishop. They formalized the medals, ribbons and bars for existing membership medals and created new OMSA awards. They created the Distinguished Service Medal, Meritorious Service Medal and the Literary Award. The new OMSA Awards System was implemented and the first new awards given at the annual convention in 1985.

Procurement of medals, ribbons, and bars for the original Awards System was difficult, time-consuming and problematic. To save cost, off-shelf award elements were used. As sources of supply and availability of award elements changed, it became more difficult to procure award elements of a consistent quality.

The first proposal to upgrade OMSA medals and award elements was made in 1993. No action was taken and the proposal was delayed until the following year. Work on the proposal was resumed in late 1994. This proposal provides sweeping changes to the OMSA Awards system that are designed to build upon the goals manifested by the original Awards system. The new changes include the introduction of new award elements, standardized specifications, and a revision of the written policy of the OMSA Awards System.

Ribbons: Richard Koch, Bally Ribbon Mills
The objective of the OMSA Awards Program is to recognize and reward individuals for an act or achievement or services rendered to OMSA or its purposes. To be eligible for an OMSA award, the act or achievement or service must generally represent an effort beyond that normally expected of a member and may extend over a period of time.

The OMSA President appoints the OMSA Awards Committee and Chairman. Its purpose is to compile and present the nominations for OMSA Service Awards to the Board of Directors of OMSA. Any OMSA member may nominate another member or individual for an OMSA award. A reminder notice will be published in JOMSA usually in the January-February issue. The OMSA Board of Directors is the sole governing body to determine final award recipients and the level or type of award to be granted.

Description of Awards

DISTINGUISHED MEMBER This is the highest honor that can be bestowed upon a member by the Society, and it is only awarded for the most exemplary service over a lengthy period of time. The Awards Committee and the Awards Board will closely scrutinize nominations. Approval requires a three-fourth-majority vote of the Board.

DISTINGUISHED SERVICE MEDAL (DSM) The DSM may be awarded to a member for an extraordinary achievement or for a particularly distinguished period of service to the Society. To justify the award of the Distinguished Service Medal, the achievement or period of service must be far above normal expectations and have materially contributed to the success of the Society. Approval requires a majority vote of the Board.

MERITORIOUS SERVICE MEDAL (MSM) The MSM may be awarded to a member for an exceptional achievement or outstanding period of service to the Society. To justify the award of the Meritorious Service Medal, the achievement or period of service must be above normal expectations and of sufficient merit to distinguish the member from those in similar circumstances but of a lesser degree than required for the award of the Distinguished Service Medal. Approval requires a majority vote of the Board.

COMMENDATION MEDAL (CM) The CM may be awarded to a member for a particular act or period of service that has significantly benefited the Society and of a nature more deserving than recognition by a Certificate of Merit but less than required for the award of the Meritorious Service Medal. Approval requires a majority vote of the Board.

MEMBERSHIP MEDAL (MM) The Membership Medal is authorized for all members of OMSA and may be purchased from the OMSA Secretary. Convention and authorized bars may be worn on the medal ribbon.

LITERARY MEDAL (LM) The Literary Medal Selection Committee, appointed by the President, annually reviews the previous years' JOMSA articles and make LM award recommendations for no more than three articles. In addition, the committee will review OMSA monographs, medal notes and other deserving publications written by OMSA members and make LM award recommendations. The articles and publications must be so thoroughly researched, comprehensive, and ground-breaking in content as to clearly set them apart from other published articles and publications. Approval requires a majority vote of the Board.

COLONEL ALBERT F. GLEIM MEMORIAL MEDAL (GM) Awarded for excellence in the exposition of US medals and decorations. A bronze table medal is awarded to exhibitors while a Silver medal awarded to those who helped establish it.
GOLD EXHIBIT MEDAL (GEM) Awarded for meeting specific criteria for an exhibit at the annual convention.

SILVER EXHIBIT MEDAL (SEM) Awarded for meeting specific criteria for an exhibit at the annual convention.

BRONZE EXHIBIT MEDAL (BEM) Awarded for meeting specific criteria for an exhibit at the annual convention.

VICE PRESIDENT'S AWARD (VPA) Awarded by Vice President for best exhibit under a specific dollar limit criteria.

OMSA TABLE MEDAL (OTM) Awarded for appreciation of efforts made on behalf of OMSA

**Medal Devices**

A 5/16th Gold, Silver or Bronze Star will be worn on the full size medal suspension ribbon to denote additional awards. A 1/8" Gold, Silver or Bronze Star will be worn on the miniature medal suspension ribbon. Device finish shall match the medal finish (gold for DSM, silver for MSM, and bronze for CM).

**Wearing Society Medals**

Full size and miniatures (if available) may be worn by members in good standing. Medals may be worn on uniforms and civilian dinner attire. Medals should only be worn in a manner that is in good taste and reflects well on the Society and the medals recipient. Medals should be worn on the left breast in the order of precedence.

**Medal, Bar and Ribbon Replacement**

Replacement ribbon may be purchased from the Ribbon Bank. Contact the Secretary regarding replacement of award medals. Membership medals, full size and miniature, are available from the Secretary. Convention bars are purchased in limited quantities, contact the Secretary to see if extra bars are available.

**Medal Certificates and OMSA Disks**

Medals certificates of appropriate design will be presented with each OMSA medal. The certificates will have a small metal OMSA disk attached and will be signed by the President and Secretary.

SAMPLE NOMINATION
ORDERS and MEDALS SOCIETY of AMERICA
 NOMINATION for AWARD

Date: June 15, 1998 (Enter date you submitted award nomination.)

I hereby nominate:

Charles A. Collector (Legibly hand print or write name of nominee.)

For the following OMSA award:

OMSA Meritorious Service Medal (Enter name of award.)

My recommendation is based on the following specific acts and achievements:

1. Charles A. Collector has served as an exhibit viewing coordinator for the past seventeen conventions. (Clearly state the actions the nominee did to merit the award -- do not use "flowery" descriptions. Be concise and to the point.)
   
   His diligent service enabled the exhibit judges to complete their judging in a minimum amount of time. This also allowed the members 10 more hours to see the exhibit displays. His action reduced the number of arguments by 75%. Members always had someone to help them with their displays or questions during those seventeen years. (Clearly state the results of the nominee’s actions above. Use supporting evidence (time saved, dollars saved/earned, percents) when possible. State how the nominee’s actions were a benefit to OMSA or the membership. Again, avoid "flowery" descriptions -- be concise and to the point. Benefits must be clear and verifiable.)

2. Charles A. Collector has recruited over 400 new members to OMSA. (Use additional actions, if there are any, to show how nominee merits the award. Use the reverse of the page or additional sheets if necessary.)
   
   He is an OMSA advocate and his recruited resulted in a 25% increase in the membership. For the past five years, he has set up a display at Podunk high school during career day to show children the benefits of medal collecting. He has started a local high school medal-collecting group that resulted in 33 new members. He is a positive role model for OMSA. (Use results that illustrate the action just mentioned. Remember: The results should be clear, concise and to the point.)

Submit nominations to the OMSA Secretary. Nominations must be received by June 30 for consideration during the current year.
ORDERS and MEDALS SOCIETY of AMERICA
NOMINATION for AWARD

Date:

I hereby nominate:

For the following OMSA award:

My recommendation is based on the following specific acts and achievements:

Submit nominations to the OMSA Secretary.
Nominations must be received by June 30 for consideration during the current year.
DISTINGUISHED SERVICE MEDAL

The medal described on this specification sheet shall conform to the criteria and quality standards outlined in the most current Military Specification MIL-DTL-3943 and its amendments. Manufacturing data is located below.

MATERIAL: Red Brass

DASH NUMBER: -1: Regular
              -2: Miniature

FINISH: Satin Gold Finish, Polished Highlights and shall match The Institute of Heraldry Metal Finish Chip Number 7 (Antique Gold).

DIMENSIONS:

<table>
<thead>
<tr>
<th>DIAMETER (excluding suspension knob)</th>
<th>THICKNESS (AT EDGE)</th>
</tr>
</thead>
<tbody>
<tr>
<td>-1: 1 3/8 inches (34.9 mm)</td>
<td>-1: 0.150 inch +/- 0.010 inch (3.81 mm +/- 0.25 mm)</td>
</tr>
<tr>
<td>-2: 11/16 inches (15.9 mm)</td>
<td>-2: 0.075 inch +/- 0.010 inch (1.91 mm +/- 0.25 mm)</td>
</tr>
</tbody>
</table>

NOTES:

1. The ribbon for the pendant drape shall conform to OMSA No. R-01.
2. The medal will be suspended with a 1/2 inch (12.8 mm) ring with the same finish as the medal.
3. The ribbon slide and clasp will conform to the most current Military Specification MIL-S-3951, Service Ribbon and Bar, Service Ribbon.

RESTRICTION NOTICE

REPRODUCTION OF THIS SHEET: This sheet may be copied and distributed for the purpose of private research or historical purposes without restrictions. Reproduction for resale, publication or other commercial purposes is prohibited without the express written approval of the Orders and Medals Society of America.

MANUFACTURE OF RIBBONS: All manufacturing rights reserved. Manufacture of the medal ribbon specified on this sheet in any form, or by any means, is prohibited without the express written approval of the Orders and Medals Society of America.
ORDERS and MEDALS SOCIETY of AMERICA

RIBBON WEAVING DATA SHEET

All ribbon will be woven to Military Specification using the criteria outlined in MIL-DTL-11589, MILITARY SPECIFICATION - RIBBON, AWARDS, GENERAL SPECIFICATION FOR, with its current supplements and the data on this sheet. Weaving data in this sheet takes precedence over MIL-DTL-11589 in the event of conflicting data. Conflicting specification data should be brought to the attention of OMSA officials listed below.

YARN: The yarn shall be a continuous filament, bright regenerated cellulose rayon of the viscose or cuprammonium type with not less than 20 filaments for the single yarn. The denier (size) for warp and filling yarn shall be:

| RIBBON TYPE | RIBBON WIDTH TOTAL +1/16 -0 | WARP ENDS PICKS PER INCH WEIGHT PER LINEAR YARN LINEAR STRENGTH FULL |
|-------------|-------------------------------|-----------------------------|----------------|-----------------------------|
| Regular     | 1-3/8 inches                  | 420                         | 80 (1 thread double shot) | 26 ounce        | 80 pounds                  |
| Miniature   | 11/16 inches                  | 210                         | 80 (1 thread double shot) | 13 ounce        | 40 pounds                  |

COLOR MATCHING: Individual colors of yarn used in this ribbon shall match standard yarn sample under natural (Nork sky) daylight or artificial daylight having a color temperature of 7500 degrees Kelvin and shall be a good approximation to the standard shade under incandescent lamplight at 2800 degrees Kelvin.

COLOR FASTNESS: Use criteria found in MIL-DTL-11589.

COLOR PATTERN: Color pattern will match pattern and dimensions on the front of this sheet

WEAVE: Ribbon ground will be woven with a grosgrain weave. The selvage of the ribbon will be woven with a 3 and 1 corkscrew weave. All ribbon will have 20 selvage ends along each side of the ribbon. Needle looms will not be used.

LENGTH: Ribbon shall be put up on rolls of 50 +/- 2 yards and with not more than 5 pieces per roll. When more than 1 piece is on the roll, pieces will be butted and spliced with tape conforming to type III, class 2 of PPP-T-60. Pins or other means of splicing is not permitted.

PACKAGING FOR SHIPMENT: Packaging instructions as outlined in MIL-DTL-11589 are waived. Rolls shall be wrapped with a white paper strip and may be shipped in a standard brown cardboard box.

QUALITY ASSURANCE PROVISIONS: Workmanship of the finished ribbon shall conform to the quality and grade of product outlined by this sheet and MIL-DTL-11589. Inspection criteria as outlined in MIL-DTL-11589 applies.

RESTRICTION NOTICE

REPRODUCTION OF THIS SHEET: This sheet may be copied and distributed for the purpose of private research or historical purposes without restrictions. Reproduction for resale, publication or other commercial purposes is prohibited without the express written approval of the Orders and Medals Society of America.

MANUFACTURE OF RIBBONS: All manufacturing rights reserved. Manufacture of the medal ribbon specified on this sheet in any form, or by any means, is prohibited without the express written approval of the Orders and Medals Society of America.
DISTINGUISHED MEMBER MEDAL
HONORS LIST

This is the highest honor that can be bestowed upon a member by the Society, and it is only awarded for the most exemplary service over a lengthy period of time. The Awards Committee and the Awards Board will closely scrutinize nominations. Approval requires a three-fourth-majority vote of the Board.

DM#01 Harrold E. Gillingham (1951)*
DM#02 Vladimir G. von Rychter (1951)*
DM#03 Georg Schreiber (1953)*
DM#04 Frederick W. McKay (1955)*
DM#05 Dr. Kurt L. Kleitman (1961)*
DM#06 Rolfe R. Holbrook (1968)*
DM#07 S. G. Yasinitsky (1968)*
DM#08 John E. Lelle (1980)*
DM#09 Harry A. Mohler (1980)*
DM#11 Cornelius B. Tyson (1986)*
DM#12 Lee E. Bishop, Jr. (1993)*
DM#13 John M. A. Tamplin (1994)*
DM#14 Jack Boddington (2000)
DM#15 Jeffrey B. Floyd (2001)
DM#18 Barry C. Weaver (2005)
DM#20 Dean S. Veremakis (2010)
DM#21 Douglas M. Peck (2010)
DISTINGUISHED SERVICE MEDAL
HONORS LIST

The DSM may be awarded to a member for an extraordinary achievement or for a particularly distinguished period of service to the Society. To justify the award of the Distinguished Service Medal, the achievement or period of service must be far above normal expectations and have materially contributed to the success of the Society. Approval requires a majority vote of the Board.

John W. Royston (2010)
Melvin D. Mueller (2011)
Nathan Weiss (2011)
* Deceased
The MSM may be awarded to a member for an exceptional achievement or outstanding period of service to the Society. To justify the award of the Meritorious Service Medal, the achievement or period of service must be above normal expectations and of sufficient merit to distinguish the member from those in similar circumstances but of a lesser degree than required for the award of the Distinguished Service Medal. Approval requires a majority vote of the Board.

## COMMENDATION MEDAL
### HONORS LIST

The Commendation Medal may be awarded to a member for a particular act or period of service that has significantly benefited the Society and of a nature more deserving than recognition by a Certificate of Merit but less than required for the award of the Meritorious Service Medal. Approval requires a majority vote of the Board.

* Deceased
The Literary Medal Selection Committee, appointed by the President, annually reviews the previous years’ JOMSA articles and make LM award recommendations for no more than three articles. In addition, the committee will review OMSA monographs, medal notes and other deserving publications written by OMSA members and make LM award recommendations. The articles and publications must be so thoroughly researched, comprehensive, and ground-breaking in content as to clearly set them apart from other published articles and publications. Approval requires a majority vote of the Board.

### COLONEL ALBERT F. GLEIM MEMORIAL MEDAL

**HONORS LIST**

The Colonel Albert F. Gleim Memorial Medal may be awarded to a member for extraordinary services rendered to the Society or for the purposes of the Society beyond that normally expected. It will serve as an incentive to greater effort and good morale and to further promote and perpetuate the objectives of the Society. Approval requires a majority vote of the Board.
