Honors Registry Introduction

The Orders and Medals Society of America (OMSA) Awards Handbook, Volume 2, Honors Registry contains the official list of all recipients of OMSA decorations, medals, and awards. This registry was originally published in 1998 and has all recipients, both members and non-members, listed alphabetically as well as annually. Corrections, additions, deletions, or other changes to this list should be brought to the attention of the OMSA Secretary for review. The registry will be updated annually to include the most recent awards. The recipients listed in this volume represent the highest ideals of OMSA and their personal achievements.

On behalf of the Board of Directors, this volume is approved for use.
