

# **IAH Airport Transportation Options & Hotel Parking**

**The following are transportation options from George Bush Intercontinental Airport (IAH) to The Woodlands Waterway Marriott. Unless traffic is bad, the ride should take about 25 minutes.**

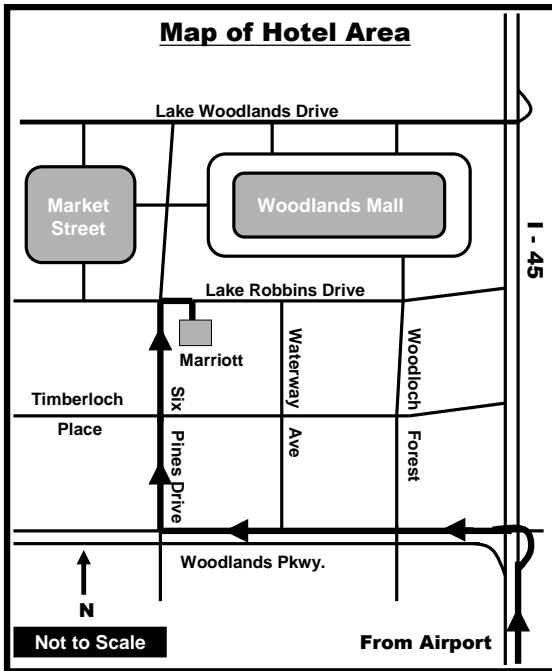

- 1. Uber – For those that use the Uber App, this is probably the cheapest option and should run from \$30 - \$60 dollars one way for a car for 3 passengers. The higher prices are due to higher rush hour traffic.**
- 2. SuperShuttle – Fairs to and from the airport to the hotel will run about \$32 one way or \$61 round trip for a shared ride. If you want a direct non-stop van all to yourself, you can do so for \$59 one way or \$112 round trip. BOOK YOUR RESERATION ON-LINE IN ADVANCE OR USE PHONE NUMBER AVAILABLE FROM WEBSITE.**
- 3. Taxis - Readily available near baggage claim and run approximately \$75 one way.**
- 4. SNG Limos – A recommended service used by The Woodlands Waterway Marriott. One-way fairs are \$75 for a private Towncar Sedan (holds 3) and \$85 for a private Suburban (holds 5). Driver meets you in the baggage area with a name sign. Their cars are located very near the Marriott and will also shuttle guests to various locations around the Woodlands for dinners and outings. CALL 281 288-5466 FOR ADVANCED RESERATIONS.**
- 5. Rental Car – Should you rent a car, below is a map for driving from the airport. The quickest way is to take the Hardy Toll Road, but make sure your rental car company has toll paying capability (car tag, etc.). Should you be driving a car or renting one, free hotel parking is also available as shown on the following pages:**
